

HALLIDAY NEWS 2025

“For unto us a child is born, unto us a son is given”

When we visited Budapest for a short break in 2022, we had no idea that we would back in Hungary so soon! At the end of May, Christopher married Ágota in Rácalmás in Hungary. There was a further celebration with a blessing of their marriage at our church in Bebington at the end of June. Although very different events, both the Hungarian wedding and the English blessing were wonderful celebrations blessed with glorious sunshine. Later in the year Chris and Ágota went to Riga for their honeymoon.

Ian and Viv continue with their life in Bromborough, spending more time together now that Ian is no longer working at BT. Both of us are still very busy with St Andrew's Church, where Viv is still Churchwarden and Ian is still a Reader.

Apart from our trip to Hungary, we spent a few days in Iași in Romania. It is a fascinating city, with a rich history, a beautiful palace and many interesting churches. Where else did we go? We went to York for Viv's birthday to see the light show at the Minster. Later in the year, a trip to Worthing to catch up with our best man, David. Viv has also been regularly to Wrexham and Bexhill, while Ian has made a couple of appearances in London.

David has had an exciting year too, starting with a short trip to Dublin early on, followed the by a trip to Hungary for his brother's wedding. But the most important thing for him has been his purchase of an apartment in Chester, close to where he has been renting for eight years.

Matthew, Kirsty and Joshua have had an interesting year too, for Joshua has started school! What, already? How did that happen?

Wishing you all the best for Christmas and the New Year of 2026.

Love from Ian and Viv.
